[Our 13W UVA Black Light Bulb...]

- The average rated life of the Philips PL-S13W/08 is 10,000 hours. Important to note: the UV-A and Lumen output are superior with the Philips product.
- The bulb is produced with true blue glass, as compared with most competitors who use a painted bulb.
- The bulb WILL run on both 110V and 120V power.
- The PL-S 13W/08 chart below indicates an expected maintained UV-A output of 94% over life of the lamp. The measurement data of these lamps are as follows.

PL-S 13 W/08					
Burning hours	UV-A [W]		Electrical lamp data		
			U [V]	I [mA]	P [W]
0 hours	2.66	106%.	54.7	295	13.13
100 - 10,000 hours	2.5	100%	54.9	293	13.03

This data is the average of 12 measurements
